Management Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Leprosy Missions, Inc. and Subsidiary as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

June 30, 2016 And 2015

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION AND PURPOSE

American Leprosy Missions, Inc. and Subsidiary (“ALM”) is incorporated pursuant to the provisions of the Not-For-Profit Corporation Law of the State of New York. As a non-profit organization, it is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

ALM exists to serve as a channel of Christ’s love to persons affected by leprosy and related diseases, helping them to be healed in body and spirit and restored to lives of dignity and hope.

On February 25, 2016, ALM created American Leprosy Missions Thrift LLC, which does business as Mission Thrift. American Leprosy Missions Thrift LLC, incorporated in the State of South Carolina, is a wholly owned subsidiary of ALM, and as such, the financial statements of American Leprosy Missions Thrift LLC have been consolidated with ALM.

Mission Thrift exists to support local communities by providing a convenient source of quality and inexpensive items, to partner with churches to help meet the needs of those in their care through the Corners of Your Field program, and to generate funds to support the worldwide ministry of American Leprosy Missions.

ACCOUNTING ESTIMATES

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

INCOME TAX STATUS

The Organization is a public charity and qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code.

Management has reviewed the tax positions for each of the open tax years (2012 – 2014) or expected to be taken in the organization’s current year tax return and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

PRINCIPLES OF CONSOLIDATION

All intercompany balances have been eliminated upon consolidation.

CASH EQUIVALENTS

All highly liquid investments purchased with a maturity of three months or less are considered to be cash equivalents.

CONCENTRATION OF CREDIT RISK

ALM occasionally maintains deposits in excess of federally insured limits. Accounting Standards Codification (“ASC”) 825, “*Financial Instruments*”, identifies these items as a concentration of credit risk requiring disclosure, regardless of the degree of risk. The risk is managed by monitoring the financial institutions in which deposits are made.

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2016 And 2015

BUILDING AND EQUIPMENT

Building and equipment is recorded at cost. Equipment acquired prior to January 1, 1974 is recorded at estimated fair market value. Depreciation is provided on the straight-line method over the estimated life of the asset – 3 to 10 years for equipment and 30 years for building.

LONG-TERM INVESTMENTS

Long-term investments consist of marketable securities which are stated at market value with gains and losses, both realized and unrealized, included in the statement of activities.

LIFE INCOME AGREEMENTS

The funds held subject to life income provisions include amounts held subject to the payment to life beneficiaries of stated amounts in the case of gift annuities and uni-trusts. On maturity, the remainder interests revert to the organization. In accordance with provisions of the New York State Insurance Laws and the U.S. Internal Revenue Code, the assets of the segregated gift annuity are segregated from other assets of the organization.

The agreements with the donors of the revocable gift fund provide that the excess income from the investment of the fund assets, over stated interest rate payments to beneficiaries, is to be available for unrestricted use unless stated to the contrary. Under the terms of the gift agreements, the donors may request the return of the principal.

The actuarial valuations of the gift annuities and uni-trusts are recorded as annuity/uni-trust obligations and the entire revocable trust is recorded as a refundable advance due to the right of return of funds to the donor. The present value of the segregated gift annuities and other annuities and uni-trust agreements was determined using discount rates ranging from 1.2% to 7.2%.

CONTRIBUTIONS

ALM reports gifts of cash and other assets as unrestricted support if they are received with donor stipulations that limit the use of the donated assets and these donor stipulations are met in the same reporting period. However, contributions for life income agreements are recorded as restricted support. When the donor restriction expires, that is, when the stipulated time restriction ends, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

PLEDGES RECEIVABLE

Unconditional promises to give are included in the financial statements as pledges receivable and the related contribution revenue is recorded in the unrestricted and temporarily restricted net assets. Pledges are recorded net of an allowance for uncollectible pledges. All pledges receivable are generally due within one year and are recorded at net realizable value.

CONTRIBUTIONS (IN-KIND)

During the years ended June 30, 2016 and 2015, ALM received various contributions in-kind. These contributions (in-kind) consisted of medical supplies that are used to treat leprosy. Donated supplies are recorded at estimated fair value based upon the pricing source inputs which considers wholesale prices and donor values on date of receipt. During the years ended June 30, 2016 and 2015, ALM received and distributed \$5,137,027 and \$6,765,701, respectively, of various medical supplies. As a result, contributions (in-kind) and expenses include the value of the donated supplies.

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NET ASSETS

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of ALM and changes therein are classified and reported as follows:

Unrestricted net assets include the revenues and expenses associated with the principal mission of ALM.

Temporarily restricted net assets include gifts for which donor-imposed restrictions have not been met.

Permanently restricted net assets include gifts, trusts and pledges which require, by donor restriction, that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions.

SUMMARIZED INFORMATION

The financial statements include certain prior-year summarized information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the ALM's audited financial statements for the year ended June 30, 2015, from which the summarized information was derived.

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2016 And 2015

ALM utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that ALM has the ability to access.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing ALM’s own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

The summary of inputs used to value ALM’s investments as of June 30, 2016 and 2015 is as follows:

	2016

NOTES TO FINANCIAL STATEMENTS – (Continued)

June 30, 2016 And 2015

The changes in the financial instruments as of June 30, 2016 and 2015 for which ALM used level 3 inputs to determine fair value are as follows:

	<u>2016</u>	<u>2015</u>
Balance, beginning of year	\$ 5,564,228	\$ 5,578,973
Unrealized gains (loss) – change in valuation	<u>(333,444)</u>	<u>(14,745)</u>
Balance, end of year	<u>\$ 5,230,784</u>	<u>\$ 5,564,228</u>

The beneficial interest in perpetual trust is measured at estimated future cash flows which involve unobservable inputs. As a result, the present value techniques would be Level 3 inputs.

(4) LEASE COMMITMENTS

In January 2014, ALM agreed on a five year lease for its Greenville, South Carolina office. The lease, which runs from February 1, 2014 through January 31, 2018, allows for rent payments of \$6,726 per month. In June 2016, ALM agreed on a five year lease for retail space located in Pineville, North Carolina for the operation of Mission Thrift. The lease runs from August 15, 2016 through August 14, 2021. Annual rental payments are \$10,000 per month for year one; \$11,000 per month for years two and three; and \$12,000 per month for years four and five. ALM has an option to terminate the lease after any lease year, with 30 days' notice, should Mission Thrift sales not exceed \$300,000 in any lease year. Total rent expense for each year ended June 30, 2016 and 2015 was approximately \$80,700.

Future minimum lease payments are as follows:

2017	\$ 185,713
2018	95,713
2019	<u>47,082</u>
	<u>\$ 328,508</u>

CAPITAL LEASES

ALM leases telephone equipment under a capital lease expiring in November 2016. The related office equipment is included in equipment at a cost of \$13,245 with accumulated depreciation of \$12,141 at June 30, 2016. Future minimum lease payments under this capital lease together with the present value of the net minimum lease payments at June 30, 2016 are as follows:

2017	\$ 1,421
Less: Amounts representing interest	<u>36</u>
Present value of minimum lease payments	<u>\$ 1,385</u>

ENDOWMENT FUNDS

ALM's endowment fund consists of donor-restricted endowment funds. As required by GAAP in the United States, net assets associated with endowment funds, including funds designated by ALM to function as endowments, are classified and reported based upon the existence or absence of donor-imposed restrictions.

INTERPRETATION OF RELEVANT LAW

ALM is incorporated in the state of New York, which has enacted a version of the Uniform Prudent Management of Institutional Funds Act ("*UPMIFA*"). UPMIFA governs donor restricted or permanently restricted endowment funds for not-for-profit corporations. ALM has interpreted the applicable state standards and guidelines for the prudent management of an endowment fund as requiring the preservation of the fair value of the original gift as of the gift date of the endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, ALM classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund (i.e. the accumulated realized and unrealized gains/losses) that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by ALM. ALM considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of ALM and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of ALM
- (7) Where appropriate and circumstances would otherwise warrant, alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have on the institution.
- (8) The investment policies of ALM

RETURN OBJECTIVES AND RISK PARAMETERS

The total rate of return (net of fees) is expected to equal or exceed a passive investment in commonly quoted market indices (benchmarks) based on a long-term optimal asset allocation.

To satisfy its long-term rate-of-return objectives, ALM relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). ALM targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

SPENDING POLICY

In 2013, ALM adopted a policy of appropriating for distribution an approved percentage of its endowment funds' average fair value over the prior five years. There was no distribution made for the years ended June 30, 2016 and 2015.

FUNDS WITH DEFICIENCIES

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or state standards require ALM to retain as a fund of perpetual duration. At June 30, 2016 and 2015, no donor restricted endowment funds have fallen below the required level.

Endowment net asset composition by type of fund as of June 30, 2016 and 2015:

Additionally, ALM transferred \$306,320 of unspent accumulated earnings on the aforementioned permanently restricted assets, previously classified as temporarily restricted net assets to unrestricted net assets.

(6) PENSION PLANS

ALM contributes to a defined contribution plan covering substantially all of its employees. Contributions to the plan are based upon earnings and are accrued and funded on a current basis. Pension expense was approximately \$127,000 and \$120,000 for the years ended June 30, 2016 and 2015, respectively.

(7) SUBSEQUENT EVENTS

Subsequent events after the balance sheet date through the date that the financial statements were available for issuance, October 17, 2016, have been evaluated in the preparation of the financial statements.
